

Intention #2

Waste not Want Not

Our intention is to promote and practice waste reduction, reuse and recycling in our operations to help in sustaining our natural resources and diverting waste from landfills.

- Reduce bulk purchasing when possible
- Trayless dining - annually saves over 175,000 lbs of food waste and over 778,000 gallons of water
- Reuse 100% of used cooking oil for biodiesel and other
- Recycle - commingle plastics, paper, aluminum, cardboard, styrofoam peanuts
- Compost - Coming soon!
